

RETAIL

Standard Sanitiser Station

The Standard Sanitiser Station is designed to be used in areas where there is a high volume of traffic, including main walkways, entrances to stairwells, toilets and lifts. Spaced at prominent points throughout the store, the station provides regular opportunity for customers and staff to clean their hands and keep safe.

- Comes with A4 updatable poster frame and one shelf area to brand or communicate messaging and optional custom branding if required.
- Frame colour comes in white as standard, custom colours available on request (POA).
- Can be supplied with hand sanitiser and disposable glove stock if required.
- Option to modify your station design layout on request (POA).
- Approximate dimensions: overall height 1400mm and base Ø 500mm.

Use for:

- Main walkways
- Inside lifts
- Fitting rooms
- Stair wells

SUPERMARKARKETS
